**VIEL MEHR ALS EINE LINIE GEDACHT NUR FUER DEN FRUEHSTUECKSRAUM**  
**MUCH MORE THAN A RANGE CONCEIVED ONLY FOR THE BREAKFAST-ROOM**  
**BEAUCOUP PLUS QU'UNE LIGNE CONÇUE POUR SERVIR LE PETIT-DEJOURNER**

La linea si compone di elementi refrigeranti, riscaldanti e neutri con relativa vetrina. Self-breakfast è particolarmente versatile poiché:

- può essere utilizzato nella sala riservata alla prima colazione;
- può essere utilizzato nella sala ristorante per esposizione di cibi e bevande;
- utilizzando più elementi accostati funge da linea di self-service quando quest'ultima funzione riveste carattere occasionale;
- si integra con successo con l'arredamento esistente.

Die Palette setzt sich aus Kuehl, Warm, Neutralelementen und der passenden Vitrine (Struktur hiervon) zusammen. Self-breakfast findet eine vielseitige Anwendung:

- Im fruestuecksraum;
- Im Speisesaal zur Ausstellung und Bedienung von Speisen und Gerichten aller Art;
- Als eine Selbstbedienungslinie ueberall dort, wo diese funktion nur gelegentlich gebraucht wird;
- Beste Anpassungsfaehigkeit an den existierenden Einrichtungsstil.

The range consists of cold, warm, and neutral elements together with the relevant glass-structure. Self-breakfast is particularly versatile in that:

- it can be used as a servery by joining more than one element together in all those establishments where the self-service function is only occasionally needed;
- it can be best matched with existing furniture and décor;
- it can be used in the breakfast-room;
- it can be used to display and serve food and different dishes in restaurants.

La ligne est composée par des éléments chauds, froids, neutres avec leur structure vitrée. Self-breakfast s'adapte bien à beaucoup de situations:

- utilisé dans l'espace réservé au petit-déjeuner;
- pour présenter et servir de la nourriture dans un restaurant;
- avec la fonction de libre service en utilisant les divers éléments dans tous les cas où cette fonction n'est que occasionnelle;
- parfaite intégration esthétique avec n'importe quel environnement de travail.
