SELF-IN : UN CHOIX COMPLET D'ÉLÉMENTS À ENCASTRER

- La proposta SELF IN si divide in due linee, COMPACT e ELEGANCE che si completano e si integrano a vicenda ed il cui criterio differenziatore è costituito dalle diverse profondità (635-700).
- La linea COMPACT è caratterizzata da elementi bagnomaria, vetroceramica, vasche e piani refrigerati statici, nonché vetrine refrigerate ventilate.
- La linea ELEGANCE comprende gli elementi bagnomaria riscaldati a secco, piani e vasche refrigerate ventilate, un'ampia gamma di vetrine.
- SELF IN: una filosofia nuova, una tecnologia all'avanguardia, una proposta EMAINOX per chi vuol fare del self-service un vero e proprio elemento di arredo.

- Das Angebot SELF IN besteht aus zwei Linien: COMPACT und ELEGANCE, die sich gegenseitig vervollständigen und ergänzen und deren Unterscheidungsmerkmal aus einer verschiedenen Tiefe hervorgeht (635-700).
- Die Linie COMPACT zeichnet sich durch Bain-Marie-Elemente, Glaskeramik-Elemente, statische Kühlwannen und -ablagen sowie Umluft-Kühlvitrinen aus.
- Die Linie ELEGANCE enthält die trockenerhitzten Bain-Marie-Elemente, Umluft-Kühlablagen und -wannen und ein großes Vitrinenangebot.
- SELF IN: Eine neue Philosophie, eine fortschrittliche Technologie, ein EMAINOX offer for those who want to make the self-services line-into a true piece of furniture.

- The SELF IN is divided into two lines, COMPACT and ELEGANCE, which complete and integrate each-other and whose distinctive feature is a different depth (635-700).
- The COMPACT line features bain-marie elements, pyroceram, static refrigerated tops and wells, as well as ventilated refrigerated display cases.
- The ELEGANCE line includes dry heated bain-marie elements, ventilated refrigerated wells and tops, a wide range of display cases.
- SELF IN: a new philosophy, a cutting-edge technology, an EMAINOX offer for those who want to make the self-services line-into a true piece of furniture.
